PROFESSIONAL EXPERIENCE

NetIT Technology - Full-Stack Developer	February 2026 - Present
Develop full-stack web applications using React.js, Node.js, Express.js, MongoDB, and MySQL for commercial client projects.	
NetIT Technology - Web Developer Intern	July 2025 - January 2026
Developed frontend and backend features for MERN stack applications, contributing to both team and individual projects.	
Yumarone Labz (Pvt) Ltd - Software Engineer Intern	September 2025 - October 2025
Contributed to Angular and .NET development, API integration, debugging, and testing.	
Private ICT Tutor	January 2025 - December 2025
Taught ICT and programming fundamentals to Grade 9–11 students.	

CERTIFICATES

SkillEcted	February 2025
Build a Social Media App with MERN Stack	

PROJECTS

Selected Projects:	
Net Lanka Travels (Production Website - Team Project) - View Live Website	
Contributed to a production-level travel platform by developing frontend interfaces, backend APIs, booking functionality, and admin features while collaborating in a Git-based team environment.	
Net Lanka Spices (E-Commerce Website - Team Project) - View in GitHub	
A modern e-commerce platform developed for showcasing and selling authentic Sri Lankan spices. Features include dynamic product listings, category filtering, cart management, and an admin panel for product updates and inventory control.	
NetLanka Travels & Holidays (Individual Project) - View in GitHub	
Designed and developed a complete travel booking website, implementing both frontend and backend functionality.	
Task Management System (Individual Project) - View in GitHub	
A full-stack task management application built with React, Node.js, Express, and MongoDB. It allows users to create, edit, delete, and mark tasks as complete, with sorting, searching, and deadline tracking features.	
Edu Certify – Result Sheet & Certificate Generator (Final Year Individual Project) - View in GitHub	
Edu Certify is a full-stack web-based application designed for educational institutes to efficiently generate academic result sheets and certificates for students.	

Additional Commercial Projects:

Developed and maintained several client websites at NetIT Technology, including **Serendib Market**, **GreenNova**, **Earth Trip Ceylon**, **Young Zone**, **Adda Ceylon**, **Usha Garment**, **Ghassan Trading**, **Minnesota Sri Lanka Friendship Foundation**, and **Earth Trail**, delivering responsive frontend interfaces and full-stack web solutions.
